Self-Service Options for Veterans

The VA Sunshine Healthcare Network’s (VISN 8) strives to meet your health care needs where and when you need them. We have several self-service resources that can help so you don’t have to make extra telephone calls or come in to the medical center to have many of your questions answered.

| VISN 8 Clinical Contact Center (CCC)          | • Around the Clock Support  
• No Co-Pays  
• Nurse Triage  
• Connect with a Provider  
• Pharmacy Refills | 1-877-741-3400  
www.visn8.va.gov/ccc.asp |
| My HealtheVet (MHV)                           | MHV allows you to manage your health care by providing access to your medical records, ability to refill VA prescriptions, view some of your VA appointments, and a link to Online Scheduling Manager to make some of your appointments. You can also use Secure Messages to connect with your health care team through a safe and secure email setting. A premium account gives you the highest level to access these MHV features. | Use this link to set up a basic MHV account:  
https://www.myhealth.va.gov/mhv-portal-web/user-registration  
-------------------------------------  
To upgrade your basic account to premium visit the MHV Office at your local VA Medical Center.  
Contact your local facility MHV Office for help or for more information. |
| Appointment Email Reminders                   | My HealtheVet allows users to receive appointments reminders in their personal email accounts (Yahoo, GMAIL, etc.) | MHV Frequently Asked Questions (FAQs):  
https://www.myhealth.va.gov/mhv-portal-web/faq#Appointments |
| VEText (Appointment Reminders)                | Appointment reminders sent as cellphone text messages. Confirm or Cancel by responding to the text. Veterans may also be offered an earlier appointment date/time through the system should an appointment become available. | Registration is automatic with an active cellphone on in your healthcare record. Users can opt out by replying “STOP”. |

<tbody>
<tr>
<td>Medication Refills/Renewals</td>
<td>When you have available prescription refills remaining, you can refill medications using the automated telephone medication system. You can also request a renewal of a prescription that has no refills using this system. You do not need to speak to your healthcare team. My HealtheVet users can also refill any prescription with refills remaining. If no refills are left, you can contact your healthcare team via Secure Message to request a renewal of your prescription.</td>
<td></td>
</tr>
<tr>
<td>VA Online Scheduling Manager (VAOS)</td>
<td>This allows you to view and cancel appointments. Schedule appointments with Primary Care, Mental Health, and some specialty clinics. You may also request appointments in Primary Care and/or Mental Health and select specialty clinics.</td>
<td>You can access the Online Scheduling Manager after logging in to My HealtheVet.</td>
